Technical Skills

- **Frontend:** React, Next.js, Tailwind CSS, HTML, CSS, JavaScript, Framer Motion
- **Backend:** Node.js, Express.js, MongoDB, Cloudinary
- **Design Tools:** Figma
- **Development Tools:** VS Code, Git & GitHub
- **Soft Skills:** Fast Learner, Time Management, Communication & Teamwork, Problem-Solving

Projects

- **Food Share – Food Wastage Management System** | MERN Stack
  GitHub
  - Developed a platform connecting food donors, NGOs, and volunteers for efficient redistribution.

  - Implemented secure authentication, real-time updates, and dashboard management.

- **Real-Time Chat Application** | MERN Stack, Socket.IO
  GitHub
  - Built private and group messaging functionality with Socket.IO.

  - Implemented JWT authentication and responsive UI with React & Tailwind CSS.

- **AI Mock Interview Platform** | MERN Stack
  GitHub
  - Developed full-stack AI-based mock interview system with separate frontend and backend.

  - Designed to simulate interviews with potential real-time analysis.

- **Feastables 3D Models Showcase** | React, Tailwind CSS, Framer Motion
  GitHub
  - Created interactive 3D model showcase using React and Vite.

  - Designed smooth animations with Framer Motion and responsive layouts.

- **ZeeCare – Web-based Healthcare Appointment System** | JavaScript, React, Node.js, Express, MongoDB
  GitHub
  - Developed a platform for booking appointments by department and doctor.

  - Designed user-friendly and responsive forms for patients.

- **MOM Automate System** | React, Node.js, MongoDB, SendGrid
  [GitHub](#)
    - Automated meeting minutes generation using AI-powered summarization.

    - Integrated email notifications with SendGrid and ensured secure storage.

- **Personal Portfolio Website** | React, Tailwind CSS
  [GitHub](#)
    - Built a responsive single-page portfolio with smooth scrolling and dark/light mode.

    - Designed modern, maintainable UI using Tailwind CSS.

- **Experience**
    - **Web Developer Intern** – OPRA IT Solution, Pune | Jan 2025
        - Developed and maintained full-stack web applications using React.js, Next.js, Node.js, Express.js, and MongoDB.

        - Designed responsive UIs with Tailwind CSS and implemented REST APIs.

        - Deployed applications to live servers, optimized performance, and applied SEO best practices.

    - **Web Development Intern** – Anvistar ITS Pvt. Ltd., Pune | Jun 2025 – Present
        - Assisting in development and maintenance of web-based solutions using React.js, Node.js, and MongoDB.

        - Collaborating on feature implementation, testing, and documentation.

        - Ensuring code quality and adhering to ISO 9001:2015 standards.
- **Extra Curricular Activities and Certification**
